5.0 Definitions

“Casual employee” means an employee who has no set hours or days of work and who is normally asked to work as and when required. There is no obligation on a casual employee to accept shifts, or on the employer to offer shifts to a casual employee. Casual employees have no expectation of ongoing employment except where the nature of their work may have become permanent despite being classed as casual on appointment.

Casual employees cannot be used to replace genuine permanent or temporary situations except to meet business requirements when no other alternative is available.

“Designated Positions” means Positions that have formally been established as designated positions by the employer. Designated Positions are positions commonly involving both advanced clinical/technical practise/leadership and/or management responsibilities. Holders of designated positions usually have job titles, for example Team Leader, Section Head or Professional Advisor and appointment normally occurs after advertising of the position.

“District Health Board” (DHB) means an organisation established as a District Health Board under Section 15 of the NZ Public Health and Disability Act 2000. On 1 July 2022, DHB’s responsibilities and operations were transferred to Health New Zealand -Te Whatu Ora under the Pae Ora (Healthy Futures) Act 2022.

“Duty/shift” means a single, continuous period of work required to be given by an employee, excluding on-call, overtime and call-back. A duty shall be defined by a starting and finishing time. Duties shall be morning (AM), afternoon (PM) duties or night duties. When a major part

of a duty falls on a particular day the whole duty shall be regarded as being worked on that day.

“Employee” means any person employed by Health New Zealand - Te Whatu Ora and whose position is covered by this collective agreement.

“Employer” means Health New Zealand - Te Whatu Ora.

“Emergency Circumstances” means a natural disaster or civil emergency.

“Fortnight” means the 14 days commencing midnight Sunday/Monday. When the major part of a shift falls on a particular day the whole shift shall be regarded as being worked on that day.

“Full time employee” means an employee who works not less than the “ordinary” or “normal” hours set out under “hours of work” in this collective agreement.

“Night Duty” means any duty in which part of the duty is worked between midnight and 5:00am on any day of the week.

“Ordinary time hourly rate of pay” for forty hours per week workers shall be paid 1/2086, correct to three decimal places of a dollar, of the yearly rate of salary payable.

“Ordinary Pay” means the annual salaries provided for in this Agreement. For part-time employees, the annual salary shall be pro-rated.

“Ordinary or Normal Hours” means 80 hours per fortnight.

“Part-time employee” means an employee, other than a casual employee, who is employed on a permanent basis but works less than the ordinary or normal hours prescribed in this collective agreement. Any wages and benefits e.g. leave, will be pro rata according to the hours worked unless specifically stated otherwise.

“Penal Rate” is the rate of pay for time worked (other than overtime) within ordinary hours of work during times specified in Clause 8.3.2

“Permanent Employee” Means an employee who is employed for an indefinite term; that is, an employee who is not employed on a casual basis and/or Fixed Term.

“Relevant Daily Pay” has the meaning as provided by the Holidays Act 2003.

“Anaesthetic Technician” means a health professional who holds registration with the Medical Sciences Council of New Zealand as an Anaesthetic Technician under the Health Practitioners Competency Assurance Act (2003) and subsequent amendments and has obtained an APC from the Medical Science Council.

“Charge Anaesthetic Technician or Anaesthetic Technician Manager” means an Anaesthetic Technician who is appointed to oversee and manage the Anaesthetic Technicians and the Anaesthetic Technician team.

“Service” means the current continuous service with the employer and its predecessors (DHBs, Hospital and Health Services, Crown Health Enterprises, Regional Health Authorities, Health Funding Authority, Area Health Boards and Hospital Boards), except where otherwise defined in the applicable clause. As of 1 November 2007 service will transfer between Districts and shall not be broken by an absence of less than three months.

However, where the employee remains actively engaged on related work to their profession or study whilst absent, the period of three months shall extend to twelve months. This period of absence does not count as service for the purposes of attaining a service related entitlement.

“Shift work” is defined as the same work performed by two or more employees or two or more successive sets or groups of employees working successive periods. A qualifying shift has a corresponding meaning.

“T1” means the ordinary hourly rate of pay.

“T1.5” means one and one half the ordinary rate of pay.

“T2” means double the ordinary rate of pay.

“Fixed Term Employee” as defined by Section 66 of the Employment Relations Act 2000 means an employee who is employed for a specified limited term for a specified project, situation or event. Temporary agreements must not be used to deny staff security of employment.

“Trainee Anaesthetic Technician” means an employee who is undertaking the appropriate prescribed course of study to achieve the relevant qualification to enable them to be registered as an Anaesthetic Technician with the Medical Sciences Council of New Zealand.

“Week / Fortnight” is defined as midnight Sunday/Monday to midnight Sunday/Monday, for the purpose of calculating the pay week and “fortnight” has a corresponding meaning involving two successive weeks.

6.0 Hours of Work

The parties note that the Health & Safety at Work Act 2015 requires the employer to take all practical steps to prevent harm occurring to employees from the way work is organised.

In designing and implementing shift rosters to meet service needs, the employer shall ensure the disruption, personal health effects and fatigue associated with shift work are minimised for the group of workers involved.

The following hours of work shall apply to all employees except otherwise agreed in writing (including as set out in Schedule A):

- 6.1 a) The ordinary full-time hours of an employee shall be 80 per fortnight.
- b) Rosters may be made up of shifts between 8 hours and 10 hours to achieve full time hours of 80 hours per fortnight.
- c) An individual shall not be required to work mixed shift lengths in any one week unless by prior mutual agreement.
- d) All duties must commence between 0600 and 2315 hours.
- e) Duty hours must be continuous except for unpaid meal breaks.
- f) Every employee shall have at least four (4) 24-hour periods off duty each fortnight and, except in the case of emergencies or by agreement, routine rostering of single days off should be avoided. Notwithstanding the foregoing, these off duty periods

may fall separately no more than once every four weeks at the request of the employee or to facilitate rostering.

- g) Except for overtime, no employee shall work more than five (5) consecutive duties before a day(s) off, provided that an alternative arrangement may be implemented by agreement between the employer and a majority (measured in full-time equivalents) of the directly affected employees. This clause shall not require a separate process to reach agreement on arrangements currently operating at the date of ratification of this MECA.
- h) Staff may also be permitted to change shifts with one another by mutual agreement and with the prior approval of the manager.

6.2 Night rosters shall provide for adequate rest following any period of consecutive night duties.

6.3 Rosters will be published not less than 28 days prior to the commencement of the roster, provided that less notice may be given in exceptional circumstances. Rosters posted will show duties for a minimum 28-day period. Changes in rosters, once posted, shall be by mutual agreement. Overtime or other penalty provisions shall not apply in these instances.

6.4 Where the employer clearly identifies that alterations in staff hours are required the hours of work may be varied by agreement with the employee(s) affected. Such agreement shall not be unreasonably withheld. The employer will notify APEX of any proposal and APEX members may involve the union in such discussions. Such agreement shall be put in writing and signed.

6.5 Overtime and Penal Time

6.5.1 Overtime

(a) Normal hourly rate of pay – The normal hourly rate shall be one, two thousand and eighty-sixth part (1/2086), correct to three decimal places of a dollar, of the yearly rate of salary payable.

(b) Overtime is time worked in excess of eight hours per day or the rostered duty (i.e. 10 hours) whichever is greater, or 80 hours per two week period, when such work has been authorised in advance.

(c) Overtime worked on any day (other than a public holiday) from midnight Sunday/Monday to midnight on the following Friday shall be paid at one and one half times the normal hourly rate of pay (T1.5) for the first three hours and at double the normal hourly rate of pay (T2) thereafter except that for ten hour shifts, T1.5 after 10 hours for the 11th hour, then T2 for all hours worked thereafter.

(d) Overtime worked from 2200-0600 Sunday to Friday, or from midnight Friday to midnight Sunday/Monday, or on a public holiday shall be calculated at double the ordinary rate (T2).

(e) No employee shall be required to work for more than 12 consecutive hours where their normal shift is of 8 or 10 hours' duration.

6.5.2 Penal Rates

(a) Weekend rate - applies to ordinary time (other than overtime) worked after midnight Friday/Saturday until midnight Sunday/Monday shall be paid at time one half (T0.5) in addition to

the ordinary hourly rate of pay.

Note: The above clause (6.5.2 (a) does not apply to Waitemata and Auckland Districts. See Schedule 10 for the Waitemata District only clause and Schedule 11 for the Auckland only clause.

(b) Public Holiday rate – applies to those ordinary hours which are worked on the public holiday. This shall be paid at time one (T1) in addition to the ordinary hourly rate of pay.

(c) Night rate – applies to ordinary hours of duty that fall between 8 p.m. and until the completion of a rostered night duty from midnight Sunday/Monday to midnight Friday/Saturday and shall be paid at quarter time (T0.25) in addition to the ordinary hourly rate of pay.

(d) Overtime and weekend/public holiday or night rates shall not be paid in respect of the same hours, the higher rate will apply.

- 6.6 The parties support the Public Service Commission/Te Kawa Mataaho's "flexible by default" principles:
- i. IF NOT, WHY NOT - All roles are treated as flexible unless there is a genuine business reason for a role not to be. Flexibility is equally available to women, men and gender-diverse employees, irrespective of the reason for wanting it. Working flexibly will not undermine career progression or pay.
 - ii. WORKS FOR THE ROLE - Every role should be suitable for some form of flexibility but not every type of flexibility will work for every role. Genuine business reasons may mean that some types of flexibility cannot be implemented for some roles.
 - iii. WORKS FOR AGENCIES AND TEAMS - Flexible working should not be viewed as something which is just agreed between an employee and manager. This means that the impact of flexible arrangements should be considered on teams, and the agency as a whole.
 - iv. REQUIRES GIVE AND TAKE - Flexibility requires give and take between the employee, manager and team. It also places collective obligations on employees, managers, and teams to be open and adaptable so that it works for everyone.
 - v. MUTUALLY BENEFICIAL - Flexible working needs to work for the agency, teams, and employees. Consideration should be given to how flexible work arrangements can maintain or enhance service delivery and the performance of the agencies, teams and employees. It should not result in increased workloads for employees working flexibly, or for other team members who are not.
 - vi. ACTIVELY CHAMPIONED BY LEADERS - Leader's support, champion and role model flexible working for their teams and themselves
- 6.7 During pregnancy, an employee may request a change to their work pattern. This may be supported by advice from a health professional. If the advice recommends a change to their work pattern, shifts worked or number of hours, arrangements are to be agreed between the line manager and employee.
- 6.8 Employees aged 60 and over may request a change to their work pattern. This may be supported by advice from a health professional. If the advice recommends a change to their

work pattern, shifts worked or number of hours, arrangements are to be agreed between the line manager and employee.

6.9 Minimum break between spells of duty:

A break of at least nine (9) continuous hours must be provided between any 2 periods of duty of a full shift or more, except that if ten (10) hour duties have been rostered, then a break of twelve (12) consecutive hours must be provided.

Periods of a full shift or more include:

- Periods of normal rostered work; or
- Periods of overtime that is continuous with a period of normal rostered work; or
- Full shifts of overtime/call back duty.

If a break of at least nine (9) – or twelve (12)- continuous hours cannot be provided between periods of a full shift, the shift is to be regarded as continuous until a break of at least nine -or twelve- continuous hours is taken, and it shall be paid at overtime rates, with proper regard to the time at which it occurs and the amount of overtime which precedes it.

If a call back of less than a full shift is worked between two periods of duty of a full shift or more, a break of nine or twelve, continuous hours must be provided, either before or after the call-back. If such a break has been provided before the call-back it does not have to be provided afterwards as well except, for those employees who are called back between 2300 and 0500 hours, the nine -or twelve- hour break must be provided afterwards.

This requirement to provide a break wherever possible applies whether or not any penalty payment will apply under the provisions of this clause.

- (i) Time spent off duty during ordinary working hours solely to obtain a nine hour break, shall be paid at ordinary time rates. Any absence after the ninth continuous hour of such a break, if it occurs in ordinary time, shall be treated as a normal absence from duty.
- (ii) The penalty payment provisions of this clause will not apply in any case where the result would be to give an employee a lesser payment that would otherwise have been received.

NB: Arrangements in place at Southern DHB, Lakes DHB and Waitemata DHB , will continue to apply.

6.10 Changing Time

Where an employee is required by the employer to wear a particular uniform on duty and is not permitted to wear that uniform other than within the precincts of the hospital, the employee shall be allowed a period of six minutes, both at the commencement and cessation of each duty, as changing time.

7.0 Meal Breaks and Rest Periods

- 7.1 Except when required for urgent or emergency work and except as provided in 7.2 below, no employee shall be required to work for more than five hours continuously without being entitled to a meal break of not less than half an hour. There will be only one meal break of not less than half an hour during a 10-hour shift.

- 7.2 An employee unable to be relieved from work for a meal break shall be entitled to have a meal while on duty and this period shall be regarded as working time and paid at the appropriate rate (the rate payable at the time).
- 7.3 Except where provided for in 7.2 above an employee unable to take a meal after five hours shall be paid at time-half in addition to normal salary from the expiry of five hours until the time when a meal can be taken.
- 7.4 Rest breaks of 10 minutes each for morning tea, afternoon tea or supper, and the equivalent breaks for night duty where these occur during duty, shall be recognised as time worked. Free tea, coffee, milk and sugar shall be supplied by the employer.
- 7.5 Meal Allowance – A shift worker who works a qualifying shift of eight hours or the rostered shift, whichever is the greater, and who is required to work more than one hour beyond the end of the shift (excluding any break for a meal) shall be paid a meal allowance of \$7.95 (unless a different rate is specified in Schedule One) or, at the option of the employer, be provided with a meal.

8.2 Placement of New Employees

- 8.2.1 When determining the appropriate placement of new employees on the automatic steps of these scales the employer will take into account the employee's years of experience in the occupation.
- 8.2.2 The employer may place a new employee on a higher step than determined by their previous experience in the occupation where they consider justified by the degree of difficulty in recruiting for specific skills and/or experience required for the position.
- 8.2.3 Placement of new employees will be subject to the specified minimum and maximum steps for the specific occupation and take into account the placement of current employees employed in the same role.

- 8.2.4 The minimum professional requirements are those specified by the Medical Sciences Council New Zealand. There is no provision for a higher commencing salary for individuals holding a higher qualification than the minimum professional requirement.

8.3 Progression Rules

- 8.3.1 For Steps 1 – 7 inclusive above, progression will occur by annual increment at anniversary date.

Additional Progression Step

- 8.3.2 The Additional Progression Step process is distinct from the Recognition Step process.

- 8.3.3 Progression from the Step 7 to the additional progression step is dependent on the achievement of agreed objectives, which are set prospectively when the employee reaches Step 7. These objectives should align with the qualities of an experienced practitioner, with the appropriate level of the Guidelines of Expectation of Professional Practice (GEPP) document which provides guidance on these and reflects the expected professional/technical skills and personal attributes.

- 8.3.4 The parties acknowledge that it is the individual employee's decision and responsibility to initiate the processes associated with the additional progression step. To commence the process the employee will write to the team leader/ manager requesting a meeting to set objectives.

- 8.3.5 The discussion and setting of objectives for additional progression would normally occur in conjunction with the employee's annual performance review.

- 8.3.6 In the event that the manager and the employee cannot agree on the objectives the employee may consult with the relevant union. If there is still no agreement the manager will set the objectives. This objective setting process is to be completed in three months of the employee requesting the meeting.

- 8.3.7 The assessment against these objectives shall commence 12 months after the objectives have been set. Any movement arising from this assessment shall be effective from 12 months after the date the employee wrote to their team leader/manager under clause 4 above, provided that:

- i. Progression shall not occur earlier than the anniversary date of the employee's movement to the top automatic step.
- ii. Progression will not be denied where the employer has failed to engage in the objective setting process and/ or the assessment of whether or not the objectives have been achieved.
- iii. Progression to the additional progression step is not available to employees who are below Step 7.

Recognition Progression Steps

- 8.3.8 The two recognition progression steps (steps 9 and 10) provide those practitioners in a non-designated role with a pathway for career progression and salary review appropriate to their individual, profession and service requirements.

- 8.3.9 The parties note that there is a wide variety of merit progression processes currently in place. The Merit Processes contained in various collective agreements covered by this settlement will generally be subsumed by Recognition Progression Steps.

8.3.10 The process for access to and progression through the Recognition Steps is set out in Appendix 1 of this agreement.

Employees with Protected Salaries Post-Pay Equity Settlement

8.3.11 An employee who has had their salary rate maintained following the translation to the new clinical/degree-qualified core scale shall move onto Recognition Step 10 from 4 December 2023, where that rate is at or above their maintained salary. They shall also receive a one-off lump sum payment of \$4,000 less the difference between the maintained salary and the Recognition Step 10 rate, pro-rated for contracted FTE.

8.3.12 Where an employee's maintained salary remains above the rate for Recognition Step 10 at 4 December 2023, they shall receive a one-off lump sum payment of \$4,000, pro-rated to their contracted FTE.

8.3.13 Should an individual in receipt of a lump sum under 8.3.11 or 8.3.12 be subsequently deemed to have been in a designated position and is translated to the Designated Positions scale in accordance with the agreed review process then this lump sum shall be offset against any salary payment owing.

8.4 Anaesthetic Technician Designated Salary Scale

8.4.1 These are positions that have been formally established as Designated Positions by the employer. Designated Positions are positions commonly involving both advanced clinical/technical practise /leadership and/or management responsibilities. Holders of Designated Positions usually have job titles, for example, Team Leader, Section Head, or Professional Advisor and appointment normally occurs after advertising of the position.

8.4.2 Following ratification of this agreement parties agree to undertake a review of the roles undertaken by employees who are in roles in the merit range of the previous CAs but who were not in identified designated positions. This review will determine whether the role the individual is undertaking is in fact properly classified as a designated position. The process is as set out in the terms of settlement of this Collective Agreement.

8.4.3 The employer will determine the appropriate band for a Designated Position having regard to the duties, responsibilities and scope of the position relative to other positions with the employer, including those that translated onto the Designated Scales as a result of the Allied Pay Equity settlement. The parties acknowledge that Health New Zealand intend to introduce a common job sizing methodology for Designated positions to assist in determining appropriate allocation to a Designated band. Health New Zealand will engage with the APEX throughout this process.

Note:Translations onto the scale from 1 June 2023 are as set out in the Allied, Scientific and Technical Pay Equity Claim in Principle Agreement (September 2023) (Appendix 3 refers).

Progression Rules:

8.4.4 The employer will place staff appointed to Designated Positions into a specific grade based on:

- i. The relevant career framework and
- ii. Taking into account relativity with the grading of existing designated positions within the service, District and across the employer.

The parties have committed to undertake work to develop a common job-sizing methodology to underpin the operation of Designated Positions Scale.

8.4.5 Progression through the steps included within each grade will be on an annual basis, on the employee's anniversary date, subject to satisfactory performance which will be assumed to be the case unless the employee is advised otherwise. Progression does not occur beyond the top step of each grade.

8.4.6 Movement between designated salary scale grades shall only be on the basis of appointment to a higher graded position.

10.0 Allowances

10.1 On Call

10.1.1 In the interests of healthy rostering practices, the parties agree that the allocation of on-call time should be spread as evenly as practicable (taking into consideration an employee's FTE), amongst those required to participate in an on-call roster

10.1.3 In services where the employer's operational requirements and staffing levels permit, employees working seven-day rosters should not be rostered on call on their rostered days off.

10.1.4 Emergency Calls

The parties acknowledge and accept that given, the nature of the health sector and patient demand, there may be emergencies where planned capacity is insufficient and staff (including Anaesthetic Technicians) need to be called on to provide service outside their normal working time.

Where there is a pattern of regular – twice or more in a four week period – instances of off duty Anaesthetic Technicians being called back to theatre to support an emergency/unplanned event, then the service and Anaesthetic Technicians will review the extent of after-hours cover and take steps to address any identified gaps in this cover – these steps could include introducing a night shift, extended hours shifts, providing a second on call, or utilizing an alternate, suitably qualified workforce to support the Anaesthetic Technician(s) on call.

If after the first instance of the above review being triggered, the service,

1. has not developed a plan – in consultation with its Anaesthetic Technicians – to address the matter within two months, or

10.2.2 Except where an employee performs the duties of the higher position for more than five consecutive days, the allowance payable shall be the difference between the current salary of the employee acting in the higher position, and the minimum salary the employee would receive if appointed to that position.

- 18.3 Where leave on pay is granted, a certificate is to be given to the employee by the Employer to the effect that the employee has been granted leave on pay and requesting the Court to complete details of juror's fees and expenses paid. The employee is to pay the fees received to the employer but may retain expenses.
- 18.4 Where leave on pay is granted, it is only in respect of time spent on jury service, including reasonable travelling time. Any time during normal working hours when the employee is not required by the Court, the employee is to report back to work where this is reasonable and practicable
- 18.5 Where an employee is required to be a witness in a matter arising out of his/her employment, he/she shall be granted paid leave at the salary rate consistent with their normal rostered duties. The employee is to pay any fee received to the Employer but may retain expenses.

19.0 Leave to Attend Meetings

- 19.1 The Employer shall grant paid leave (at ordinary rates) to employees required to attend formal meetings of the regulatory body (except where the matter arises out of employment with another employer) and APEX National Executive.
- 19.2 Paid leave shall also be granted where an Employee is required to attend meetings of Boards or Statutory Committees provided that the appointment to the Board or Committee is by ministerial appointment.
- 19.3 Any remuneration received by the Employee for the period that paid leave was granted shall be paid to the Employer.

20.0 Long Service Leave

An employee shall be entitled to long service leave of one week upon completion of a 5 (five) year period of current continuous service (as defined in Clause 5). However, any service period for which a period of long service leave has already been taken or paid out shall not count towards this entitlement.

Long Service Leave will be paid for each week of leave on the same basis as annual leave (**clause 13**) in accordance with the Holidays Act 2003. This will be based on the employees FTE status at the time of taking the leave. Wherever practicable long service leave is to be taken in periods of not less than a week.

The employer shall pay out any long service leave to which the employee has become entitled but has not taken upon cessation of employment.

In the event of death of an employee who was eligible for long service leave but not taken the leave, any monies due will be paid to the deceased estate.

Leave without pay in excess of three months taken on any one occasion will not be included in the 5 (five) year qualifying period with the exception of Parental Leave.

21.0 Leave without Pay

Full-time or part-time employees are able to take leave without pay, providing that such leave is mutually agreed between the employer and the employee and is in accordance with the employer's policy on leave without pay.

22.0 Public Health Emergency (and Civil Defence) Response

- 22.1 The following provisions apply where there is a Public Health Emergency (PHE) declared by the Director-General of Health under the relevant legislation. These provisions shall also apply as applicable to civil defence emergencies declared under the relevant legislation.
- 22.2 The parties acknowledge that the public health system will be a critical part of the national/regional responses to a PHE.
- 22.3 As part of this response, the parties recognise the urgency of any response and the need for flexibility in how services are delivered and accordingly temporary changes may be made to how work is organised without the need for a formal change management processes specified in the MECA. Where circumstances allow the employer will engage in good faith with the union prior to progressing any PHE response.
- 22.4 The principles around any such changes are:
- a. Services will work with their staff to develop the most clinically appropriate staffing arrangements to keep patients and staff safe during a PHE
 - b. These arrangements could include ways of working that are outside of the standard provisions of the MECA hours of work clauses provided that:
 - i. The rostered ordinary weekly or fortnightly hours of work do not exceed the current maximums without the agreement of the affected employee(s)
 - ii. No permanent employee shall have their ordinary pay reduced while they are working such arrangements
 - iii. Additional hours of work shall be remunerated in accordance with the relevant provisions (or their equivalents) of the MECA, and MECA penalties for minimum breaks, etc will continue to operate
 - iv. The alternate arrangements shall only continue in force for the period necessary and required by the employer PHE response
 - v. The employer will ensure the employee is provided with necessary works tools and equipment to enable them to work appropriately for the nature of the PHE.
 - vi. The union shall be informed of any arrangements operating under this provision.
- 22.5 The parties recognise the potentially heightened focus on ensuring staff do not attend work when they themselves (or their dependents) may be unwell during a PHE. To support this, the employer will take a permissive approach to access discretionary sick leave provisions where an employee has exhausted their sick leave entitlement. In addition, the employer shall waive the recovery of the first 5 days of discretionary sick leave granted during the PHE. These arrangements do not replace the Minor Illness provisions in clause 14.6.4.

22.6 The parties commit to national oversight and engagement on the operation of this clause and other operational matters related to PHE responses, which may include provision of agreed national guidelines.

23.0 Right of Entry

The authorised union representative shall be entitled at all reasonable times to be upon the premises for purposes related to the employment of its members and/or the union's business, in accordance with Sections 20 and 21 of the Employment Relations Act 2000.

24.0 Delegate / Workplace Representative

The employer accepts that employee job delegates are the recognised channel of communication between the union and the employer in the workplace. Accordingly paid time off (at ordinary time rates) shall be allowed for recognised employee delegates to attend meetings with management, consult with union members, and other recognised employee job delegates and union officials, to consult and discuss issues such as management of change, staff surplus, and representing employees.

Prior approval for such meetings shall be obtained from management. Such approval shall not be unreasonably withheld.

25.0 Employment Relations Education Leave

Employers shall grant union members leave on pay to undertake trade union education or training, in accordance with the Employment Relations Act 2000. The provisions of this Act, or any amendment or Act passed in substitution for this Act, shall apply.

26.0 Co-operation, Consultation and Management of Change

26.1 Management of Change

26.1.1 The parties to this collective agreement accept that change in the health service is necessary in order to ensure the efficient and effective delivery of health services. They recognise a mutual interest in ensuring that health services are provided efficiently and effectively, and that each has a contribution to make in this regard.

26.1.2 Regular consultation between the employer, its employees and the union is essential on matters of mutual concern and interest. Effective communication between the parties will allow for:

- (a) improved decision making
- (b) greater cooperation between employer and employees; and a more harmonious, effective, efficient, safe and productive workplace.

26.1.3 Therefore, the parties commit themselves to the establishment of effective and ongoing communications on all employee relations matters.

26.1.4 The employer accepts that employee delegates are a recognised channel of communication between the union and the employer in the workplace.

26.1.5 Prior to the commencement of any significant change to staffing, structure or work practices, the employers will identify and give reasonable notice to employees who may be affected and to the APEX to allow them to participate in the consultative process so as to allow substantive input.

- 26.1.6 Reasonable paid time off at T1 (ordinary) shall be allowed for employee delegates to attend meetings with management and consult with employees to discuss issues concerning management of change and staff surplus.
- 26.1.7 Prior approval of such meetings shall be obtained from the employer and such approval shall not be unreasonably withheld.
- 26.1.8 The parties agree that meetings will occur regularly between management and APEX delegates. These meetings will enable effective operational and strategic communication and resolution of issues. Each District shall establish and/or continue the relevant arrangements in existence at the commencement of this Agreement.

26.2 Consultation

- 26.2.1 Consultation involves the statement of a proposal not yet finally decided upon, listening to what others have to say, considering their responses and then deciding what will be done. Consultation clearly requires more than mere prior notification.
- 26.2.2 The requirement for consultation should not be treated perfunctorily or as a mere formality. The person (s) to be consulted must be given sufficient opportunity to express their view or to point to difficulties or problems. If changes are proposed and such changes need to be preceded by consultation, the changes must not be made until after the necessary consultation has taken place.
- 26.2.3 Both parties should keep open minds during consultation and be ready to change. Sufficiently precise information must be given to enable the person (s) being consulted to state a view, together with a reasonable opportunity to do so – either orally or in writing.
- 26.2.4 Consultation requires neither agreement nor consensus, but the parties accept that consensus is a desirable outcome.
- 26.2.5 However, the final decision shall be the responsibility of the employer.
- 26.2.6 From time-to-time directives will be received from government and other external bodies, or through legislative change. On such occasions, the consultation will be related to the implementation process of these directives.
- 26.2.7 The process of consultation for the management of change shall be as follows:
- (a) The initiative being consulted about should be presented by the employer as a “proposal” or “proposed intention or plan” which has not yet been finalised.
 - (b) Sufficient information must be provided by the employer to enable the party/parties consulted to develop an informed response.
 - (c) Sufficient time must be allowed for the consulted party/parties to assess the information and make such response, subject to the overall time constraints within which a decision needs to be made.
 - (d) Genuine consideration must be given by the employer to the matters raised in the response.
 - (e) The final decision shall be the responsibility of the employer.

The above process shall be completed prior to the implementation of clause 26.3.

26.3 Staff Surplus

When as a result of the substantial restructuring of the whole, or any parts, of the employer's operations; either due to the reorganisation, review of work method, change in plant (or like cause), the employer requires a reduction in the number of employees, or, employees can no longer be employed in their current position, at their current grade or work location (i.e. the terms of appointment to their present position), then the options in sub clause 26.3.4 below shall be invoked and decided on a case by case basis in accordance with this clause.

26.3.1 Where an employee's employment is being terminated by the employer by reason of the sale or transfer of the whole or part of the employer's business, nothing in this agreement shall require the employer to pay compensation for redundancy to the employee if:

- (a) The person acquiring the business or the part being sold or transferred -
 - (i) has offered the employee employment in the business or the part being sold or transferred; and
 - (ii) has agreed to treat service with the employer as if it were service with that person and as if it were continuous; and
- (b) The conditions of employment offered to the employee by the person acquiring the business or the part of the business being sold or transferred are the same as, or are no less favourable than, the employee's conditions of employment, including:
 - (i) any service-related conditions; and
 - (ii) any conditions relating to redundancy; and
 - (iii) any conditions relating to superannuation - under the employment being terminated; and
- (c) The offer of employment by the person acquiring the business or the part of the business being sold or transferred is an offer to employ the employee in that business or part of the business either:
 - (i) in the same capacity as that in which the employee was employed by the employer, or
 - (ii) in any capacity that the employee is willing to accept.

When condition (b) is not met, the employer may offer a lump payment equivalent to what the difference between the current wage and the new wage would be over a two year period.

Where the person acquiring the business does not offer the employee employment on the basis of (a), (b) and (c) above, the employee will have access to the Staff Surplus provisions.

26.3.2 Notification of a staffing surplus shall be advised to the affected employees and APEX at least one month prior to the date of giving notice of severance or enhanced early retirement to any affected employee. This date may be varied by agreement between the parties. During this period, the employer and employee, who can elect to involve their Union Representative, will meet to agree on the options appropriate to the circumstances. Where employees are to be relocated, at least three months' notice shall be given to employees, provided that in any situation, a lesser period of notice may be mutually agreed between the employee and the employer where the circumstances warrant it (and agreement shall not be unreasonably withheld).

26.3.3 The following information shall be made available to the Union representatives in respect of affected employees they represent:

- (a) the location/s of proposed surplus

- (b) the total number of proposed surplus employees
- (c) the date by which the surplus needs to be discharged
- (d) the positions, grading, names and ages of the affected employees
- (e) availability of alternative positions in the District.

On request the Union representative will be supplied with relevant additional information where available.

26.3.4 Options - The following are the options to be applied in staff surplus situations:

- (a) Reconfirmed in position
- (b) Attrition
- (c) Redeployment
- (d) Leave without pay
- (e) Retraining
- (f) Severance

Option (a) will preclude employees from access to the other options. The aim will be to minimise the use of severance. When severance is included, the provisions in subclause 26.3.11 will be applied as a package.

Enhanced Early Retirement is an additional option at Bay of Plenty, MidCentral, Waikato and Nelson-Marlborough Districts (see Schedules Three to Six)

26.3.5 Reconfirmed in position - Where a position is to be transferred into a new structure in the same location and grade, where there is one clear candidate for the position, the employee is to be confirmed in it. Where there is more than one clear candidate the position will be advertised with appointment made as per normal appointment procedures.

26.3.6 Attrition - Attrition means that as people leave their jobs because they retire, resign, transfer, die or are promoted then they may not be replaced. In addition or alternatively, there may be a partial or complete freeze on recruiting new employees or on promotions.

26.3.7 Redeployment - Employees may be redeployed to a new job at the same or lower salary in the same or new location. The employee's preference for redeployment shall be given due consideration.

- (a) Where the new job is at a lower salary, an equalisation allowance will be paid to preserve the salary of the employee at the rate paid in the old job at the time of redeployment. The salary can be preserved in the following ways:
 - (i) a lump sum to make up for the loss of basic pay for the next two years (this is not abated by any subsequent salary increases); or
 - (ii) an ongoing allowance for two years equivalent to the difference between the present salary and the new salary (this is abated by any subsequent salary increases).
- (b) Where the new job is within the same local area and extra travelling costs are involved, actual additional travelling expenses by public transport shall be reimbursed for up to 12 months.
- (c) The redeployment may involve employees undertaking some on-the-job training.
- (d) Transfer provisions will be negotiated on an actual and reasonable basis.

26.3.8 Leave without pay - Special leave without pay may be granted within a defined period without automatic right of re-engagement. This provision does not include parental or sick leave.

26.3.9 Retraining

- (a) Where a skill shortage is identified, the employer may offer a surplus employee retraining to meet that skill shortage with financial assistance up to the maintenance of full salary plus appropriate training expenses.

It may not be practical to offer retraining to some employees identified as surplus. The employer needs to make decisions on the basis of cost, the availability of appropriate training schemes and the suitability of individuals for retraining.

- (b) If an employee is redeployed to a position which is similar to his or her previous one, any retraining may be minimal, taking the form of "on the job" training such as induction or in service education.

Where an employee is deployed to a new occupation or a dissimilar position the employer should consider such forms of retraining as in-service education, block courses or night courses at a technical institute, nursing bridging programmes, etc.

26.3.10 Severance - Payment will be made in accordance with the following:

(Employees who commenced employment with the current employing District prior to (see Schedule Seven for individual District dates), will retain pre-existing severance provisions (contained in Collective Agreements applying immediately prior to this collective agreement), which are more favourable than those in this clause.)

- (a) "Service" for the purposes of this subclause means total aggregated service with the employing District, its predecessors and one or more other District, but excludes any service with any District or their predecessor which has been taken into account for the purposes of calculating any entitlement to a redundancy/severance/early retirement or similar payment from any Districts or their predecessors.
- (b) 8.33 per cent of base salary (T1 rate only) for the preceding 12 months, in lieu of notice. This payment shall only be made where the requisite notice cannot be given. Notice that is of a lesser period than required by this document shall require the employer to pay an amount proportionate to the ungiven period of notice. This payment is regardless of length of service; and
- (c) 12 per cent of base salary (T1 rate only) for the preceding 12 months, or part thereof for employees with less than 12 months' service; and
- (d) 4 per cent of base salary (T1 rate only) for the preceding 12 months multiplied by the number of years of service minus one, up to a maximum of 19; and
- (e) where the period of total aggregated service is less than 20 years, 0.333 per cent of basic salary (T1 rate only) for the preceding 12 months multiplied by the number of completed months in addition to completed years of service.
- (f) a retiring gratuity or service payment if applicable.
- (g) outstanding annual leave and long service leave may be separately cashed up.

- (h) Where there is an offer of redeployment to reduced hours, an employee may elect to take a pro-rata compensatory payment based on the above severance calculation.

26.3.11 Job Search

Employees will be assisted to find alternative employment by being able to have a reasonable amount of time off work to attend job interviews without loss of pay. This is subject to the team leader/manager being notified of the time and location of the interview before the employee is released.

34.2 Abandonment of Employment

An employee absent from work for three consecutive working days without notification to the employer or without appropriate authorisation from the employer will be considered by the employer as having terminated their employment without notice, unless the employee is able to show they were unable to fulfil their obligations under this section through no fault of their own. - (a) The employee is entitled to seek representation at any stage during the process. Help with an employment relations problem is available from within the work place (employee manager) or outside the workplace (Ministry of Business, Innovation and Employment - mbie.govt.nz), or a union, an advocate or a lawyer.
- (b) If the matter is unresolved either party is entitled to seek mediation from the Ministry of Business, Innovation and Employment or refer the matter to the Employment Relations Authority. Recognition Steps – Progression Process

Principles

1. The recognition steps facilitate progression that many employees naturally seek in the course of their work. It is designed to enable employees to utilise their expertise as a formal part of their practice, while enhancing service delivery and fostering continued development and growth through the process of agreed objective setting and delivery
2. For this reason, it is anticipated that, where reasonable and agreed, an employee may be able to progress the objectives required for recognition progression during work time.

Eligibility

3. To be Eligible for Salary Progression:
 - a) An employee may initiate the recognition process immediately after moving to the qualifying step (e.g. Step 8 to progress to Step 9, Step 9 to progress to Step 10). Progression will not occur until the employee has been on the qualifying step for at least a year. An employee must be on Step 8 (APS) before they can move to Recognition Step 9 or must be on Recognition Step 9 to move to Recognition Step 10.
 - b) Demonstrates innovation, excellence, leadership, and/or specialist skills and knowledge in their contribution to service. This could include, but is not limited to:
 - i. At least two years working in an area of specialisation or advancing practice.
 - ii. Recognised by other staff as becoming expert in at least one area of clinical or cultural skills and approached as a resource and teacher (with appropriate evidence)
 - iii. Evidence of involvement in quality and improvement initiatives or audit activity.
 - iv. Evidence of involvement in research, presenting at conferences or authoring work.
 - v. Agreed postgraduate study.
 - c) Has had a satisfactory performance appraisal (or equivalent) within the last 12 months.
 - d) Is undertaking clinical work at the level expected as described in the GEPP document at the applied for salary step. Link: Draft Guidelines for Expectations of Professional Practice of Allied Health, Scientific and Technical Professionals (GEPP) 2023.
 - e) Has achieved agreed objectives linked to Guidelines for Expectation of Professional Practice at relevant level.
 - f) Is contributing to the wider organisational goals, the team, the service, the locality, or the system in general.

Frequency

4. An employee can progress to the Recognition Step at any time throughout the year (once criteria is met), i.e., they do not need to wait for their anniversary date. However, only one step movement can be made annually.

Criteria

5. The criteria for progression to each recognition step are as follows:
 - a) To access Recognition Step 1 (Step 9 of the Degree-based scale) an employee must select and complete objectives across no fewer than two domains ensuring that cultural safety and Te Tiriti principles are woven into objectives. Objectives must be chosen from the “Further Developing Knowledge & Skills” or further Stage of Development.
 - b) To access Recognition Step 2 (Step 10 of the Degree-based scale) an employee must select and complete objectives across no fewer than two domains, ensuring that

cultural safety and Te Tiriti principles are woven into objectives. Objectives must be chosen from the “Becoming Expert” Stage of Development.

- c) To access Step 4 of Grade DF on the Clinical/degree qualified designated salary scale, an employee must select and complete objectives across no fewer than two domains, ensuring that cultural safety and Te Tiriti principles are woven into objectives. Objectives must be chosen from the “Acknowledged Leader” Stage of Development. At least one objective will be selected from the “Leadership & Management” domain.

Objectives

6. It is intended that objectives are ones that show growth, development, and continuing contribution to the service. As such, objectives will generally be relevant to the service, wider organisation and/or profession evidence of role stretch/meritorious performance.
7. The parties acknowledge that it is the individual employee’s decision and responsibility to initiate the processes associated with the recognition progression step. To commence the process the employee will write to the team leader/ manager requesting a meeting to set objectives.
8. The discussion and setting of objectives for additional progression would normally occur in conjunction with the employee’s annual performance review. Objectives agreed will be specific, measurable achievable realistic and time bound (SMART). Reviews throughout the 12 months can be undertaken by mutual agreement. Setting the objectives may involve the professional lead or equivalent.
9. In the event that the manager and the employee cannot agree on the objectives the employee may consult with the relevant union. If there is still no agreement, they may need to meet with the union and their manager, professional lead or equivalent. This objective setting process is to be completed in three months of the employee requesting the meeting. Without agreed objectives no progression will occur.
10. Recognition objectives must be set and agreed prospectively by the manager and the employee in a timely manner. However, the setting of objectives may take into consideration work that has been initiated within a reasonable timeframe prior to the objectives being set as long as objectives remain current to service need/service development and of benefit to professional development.

The employer shall grant professional development leave of up to 32 hours per calendar year for full time employees (prorated for part-time employees).

The Employer will allocate \$5,000 per annum towards a Continuing Professional Development fund to assist Hawke's Bay District Anaesthetic Technician employees to meet the regulatory requirements to maintain professional competence. Terms of Reference of the fund are set out in Schedule 1 of the Collective Agreement.

Professional development leave will be granted at T1 rate and shall not accumulate from one year to the next.

Any claim for expenses must be approved in advance and will be considered on a case-by-case basis.

Anaesthetic Technicians CPD Fund – Terms of Reference

Purpose:

To set out the criteria for and approval of funds available (a total of \$5,000 per annum) to assist Hawke's Bay District Anaesthetic Technician employees with the cost of continued professional development (CPD) to meet the regulatory requirements to maintain professional competence.

Membership of the fund administration group

A fund administration group will be set up to consider and approve applications from the fund. Membership of the group will comprise of three representatives, which will include an APEX delegate, Charge Anaesthetic Technician Team Leader and Peri-operative Manager or Service Manager. All three members must be present at a meeting to make a quorum.

The group will meet regularly (no less than quarterly), unless there are no applications to consider.

The fund will be administered by the Charge Anaesthetic Technician as a representative of the District, with records kept of the CPD event applied for, funding allocated, date and training outcome. The training record will be recorded in PAL\$.

Criteria:

The fund is for the period 1 July – 30 June in any given year. To make best use of the fund over this period, the group will take account of relevant upcoming CPD events that may be appropriate. Anaesthetic Technicians should also consider relevant upcoming CPD events in their application to assist the group. Decision processes should be fair, equitable and transparent.

The fund is available to assist Anaesthetic Technician employees with the cost of CPD, which is generally seen to be formal education such as; courses / conferences / seminars / planning or developing a course / post graduate study / research or writing articles or papers; and:

1. Align to the Districts performance appraisal approach through the individual performance plan and the individual development plan which should:
 - a. Link to the employee's current position;
 - b. Align with the strategic direction and/or service plans of the District;
 - c. Align with the employee's career goals;
2. Align to the employee's CPD Individual Development Plan for the coming year
3. Assist the employee to meet the regulatory requirements to maintain professional competence

All applications for funding must be accompanied by an agreed performance appraisal plan and individual development plan.

Where possible, funds granted will be paid prior to commencement of the CPD event with the understanding that should the applicant not attend or does not complete or fails the course (except in circumstances outside the person's control) that the money will be repaid in full. Funding will generally not be granted retrospectively. The applicant will sign an agreement to this effect on the application form.

Each person who has received financial assistance from the fund has a responsibility to share information and knowledge gained with their peers, team, service and / or organisation. The Anaesthetic Technician Team Leader should assist with this.

The person is required to present evidence of completion of the CPD event and submit this to the Charge Anaesthetic Technician.

Leave relating to CPD:

Applications for leave related to CPD events should be made to the Charge Anaesthetic Technician in the usual way that leave is requested.

Review period:

A review of the administration of the fund will be conducted bi-annually between the Hawke's Bay District and APEX to ensure the fund is being administered appropriately and efficiently. The first review is to occur in April 2019. This review may include an Hawke's Bay District HR representative and an APEX representative.

Application process:

Applications must be made in writing using the approved application form available on Our Hub. Applications should be returned to the Charge Anaesthetic Technician.

Applicants will be informed in writing of the group's decision following the meeting. The group's decision is final.

Additional Information for Night Shift

The practice of "napping" whilst being on duty on a night shift is acceptable to Hawke's Bay District, on the basis that all tasks and functions are completed and an effective handover to the morning shift is completed. Furthermore, ALL Anaesthetic Technicians will refrain from napping whilst there is a patient in the perioperative department.

Should at any point in time there be no response by the Anaesthetic Technician overnight to other areas of the organisation due to sleeping on duty, then Hawke's Bay District would view this as serious misconduct and consider initiating disciplinary action.

This agreement, pursuant to the DHBs PSA multi-employer Allied, Public Health, and Technical collective agreement 28 October 2011 – 30 April 2014 and its successors, applies only to the current and future employees appointed to the Anaesthetic Technician roster at Waitemata District Health Board while the employees are working the 12 Hour Roster.

- a) Alternative hours of work may be implemented by agreement between the employer, the employees directly affected and APEX. Such agreement shall be in writing and signed by the representatives of the parties.
- b) 12-hour shifts are not recommended as a standard rostering pattern and shall occur only where clear clinical / service rationale supports this practice. Such shift patterns shall not compromise those employees who elect to work an eight-hour roster.
- c) Every employee shall have at least 2 consecutive 24 hour periods off duty each week. No employee working 12 hours per rostered shift shall work more than 4 consecutive duties. Where 4 consecutive 12 hour duties are worked, by agreement with the employee, then the employee must then have a minimum of 4 consecutive 24 hour periods off duty. It is recognised that 3 consecutive 12 hours shifts is the preferred maximum. Where 3 consecutive 12 hour shifts are worked the employee must have a minimum of 3 consecutive periods 24 hours off duty.
- d) Notwithstanding the foregoing, these off duty periods may fall separately no more than once every four weeks at the request of the employee or to facilitate rostering.
- e) Meal Breaks and rest periods shall be observed in accordance with clause 2.1.9. In addition, an employee who works a 12-hour shift shall be allowed two meal breaks, one paid and one unpaid, each of not less than half an hour. Such meal breaks shall be arranged so as to be spaced as near as possible at equal intervals.
- f) Minimum breaks between duties: No 12-hour roster shall contain breaks between duties of less than eleven consecutive hours. If the actual breaks are not achieved then the payment provisions of the overtime clause 2.2 shall apply. Note: if the employee requests a lesser break the overtime payments will not apply.
- g) Overtime payments shall apply as outlined in clause 2.2.2(g)
- h) Annual Leave / Sick Leave: each day of annual leave or sick leave shall be calculated and paid according to the number of hours rostered to work on the day of such leave.
- i) Every employee who completes one year on alternative hours of work as above shall receive one week shift leave in place of the provisions set out in clause 6.3.

Alternative Payment System For Weekend And/Or Night Rates

2.1 Conditions Of Agreement

a) When agreed between the employer, the PSA and the majority of employees directly affected, the employees whose ordinary hours of work regularly fall outside the hours of Monday to Friday 6.00 am to 8.00 pm shall be paid for such work in terms of Clause 2.2 of this Appendix.

b) Such payments shall be in lieu of any payments which should otherwise be payable in terms of night and weekend penal rates. Where regular penal time is worked, employees shall continue to be paid the applicable penal rates, until an APS is implemented.

c) Where it is demonstrated and agreed that a Service is unable to accommodate the alternative payment system and where regular penal time is worked, employees shall continue to be paid the applicable penal rates in terms of Clause 2.2.3 of the Core MECA.

d) Should a dispute arise over the agreement or otherwise, of the implementation of the alternative payment system, then a "disputes committee" shall be convened comprising equal numbers of representation from APEX and Waitemata District and an agreed chairperson. The role of this committee shall be to reach a mediated decision.

e) After implementation where the hours of work in any particular unit change by such an extent as to alter the basis of the system, any of the parties to this Agreement may request a review of the system being used. Such a review shall be carried out within two months of the initial request being made with any agreed changes in payments to include arrangements for any required backdating.

2.2 Principles of alternative payment system

c) The cost of introducing such a system shall be cost neutral, relative to the penal rates provisions to the Service Unit into which it is being introduced.

d) Such a system shall also endeavour to ensure that income levels are relative to the frequency of nights and weekends required to be worked.

e) Wherever it is proposed to introduce such a system, a joint working party comprising equal numbers of Waitemata District and APEX representatives shall develop and evaluate an appropriate system for the Service Unit concerned.

f) The alternative payment system shall be based on converting weekend penal and/or night rate earnings into an allowance, based on the frequency of nights and weekends required to be worked, such allowance to be paid additional to base salary.

2.3 Each such system shall incorporate rules to prescribe:

- a) How the payment of allowances to individuals shall be determined, and
- b) When and how the rate of allowances to individuals shall be charged up.
