JOIN TODAY

IT TAKES ALL SORTS TO RUN OUR HEALTH SYSTEM.

APEX is the specialist union for all allied,
scientific and technical employees.

WHAT IS APEX?

APEX is the specialist union representing over **6000 allied, scientific and technical health professionals** across New Zealand in both the public and private sectors.

WHAT DO WE DO?

EMPLOYMENT ADVICE & REPRESENTATION

Support to resolve employment problems.

COLLECTIVELY BARGAIN

Profession-specific collective agreements.

ENFORCE YOUR COLLECTIVE AGREEMENT

Including pay, hours, leave, rosters.

HEALTH & SAFETY ADVOCACY

Keeping you safe at work.

PROFESSIONAL DEVELOPMENT

Our collective agreements ensure you can access profession-specific development and supervision.

RESEARCH & CAMPAIGNS

Advancing and protecting the rights of health workers at a national level.

WHY JOIN APEX?

Every profession has its own division, so your voice is heard where it matters.

Better pay & conditions through collective bargaining.

Protection from unfair treatment at work with support and representation when you need it.

Support during change with guidance through restructuring, redundancy, or contracting out.

Access to on-the-ground delegates who are trained, approachable, & here for you.

Your voice is raised by collectively putting AST issues into news cycles and onto the political agenda.

Strength in numbers. When a workforce bargains together, lasting change can be made.

YOUR COLLECTIVE AGREEMENT

From large multi-employer collective agreements covering the whole of the country, to single-employer agreements in private hospitals, laboratories, Te Whatu Ora, private sector agencies and NGOs — APEX negotiates profession-specific agreements, tailored to **your workplace and your needs.**

50+
Collective
Agreements.
One Union.

Collective bargaining through APEX gives you a stronger voice, expert representation and reduces the inherent power imbalance between you and your employer.
