

THE UNION FOR MIT STUDENTS

APEX is the specialist union representing over **6000 health professionals**, including over **1500 medical imaging technologists**, MIT students, sonographers, MRI technologists and nuclear medicine technologists.

WHAT DO WE DO?

NEGOTIATE COLLECTIVE AGREEMENTS

For MITs, including Te Whatu Ora, RHCNZ (ARG, PRG and Bay Radiology), and Central Otago Health.

SHAPE THE FUTURE FOR MITs

By improving the workplace and profession and leaving it a better place than how we found it.

REPRESENT COLLECTIVE INTEREST

To employers, the Ministry of Health, the MRTB, media, and the public.

HEALTH & SAFETY ADVOCACY

From broken equipment to unsafe rosters, we push employers to fix any workplace safety issue.

ENSURE OFFERS OF EMPLOYMENT

For graduating MITs with Te Whatu Ora.

WHY JOIN APEX?

If anything goes wrong, we have your back.
Only APEX members get:

Stronger conditions and coverage by APEX collective agreements.

A real say and influence over the future of MIT pay and working conditions.

Access to information and education about what your work rights are and changes impacting the MIT workforce.

Support when you need it with workplace issues, from pay errors to safety concerns.

Strength in numbers. When a workforce bargains together, lasting change can be made.

MIT STUDENTS' RIGHTS

If you're an APEX member employed by Te Whatu Ora as an MIT student, you're covered by our collective agreement.

SET PAY RATES

For Year 1, 2, and 3 MIT students.

LEAVE & HOLIDAYS

The same entitlements as MITs.

SAFE WORK

Rest and meal breaks, plus safe rosters.

INDEMNITY AND LEGAL SUPPORT

If a patient complaint or medico-legal issue arises.
