23 EMPLOYEE PARTICIPATION

23.1 The parties to this Agreement accept that change in the Health Service is necessary in order to ensure the efficient and effective delivery of health services.

23.2 The parties recognise that they have a mutual interest in ensuring that health services are provided efficiently and effectively, and that each has a contribution to make in this regard.

The involvement of employees should contribute to:

- a. Improved decision-making
- b. Greater co-operation between the parties to this Agreement
- c. More harmonious, effective, efficient, safe and productive workplace

Therefore, the employer agrees to the following provisions for consultation, recognition of staff participation and access to facilities.

23.2.1 Paid time off shall be allowed for recognised staff representatives to attend meetings with management, consult with employees, to consult and discuss those issues addressed in this clause and Clause 24 specifically: staff surplus, and options for resolving staff surplus.

23.2.2 Prior approval for such meetings shall be obtained from management. Such approval shall not be unreasonably withheld.

23.2.3 The amount of time off and facilities provided shall be sufficient to enable full consideration of the issues.

23.3 Mechanisms established for the purpose of "Management of Change" will allow input and recommendations to be made to the employer, who will consider these recommendations and will make best endeavours to take the views of their employees into account before making final decisions.

23.4 The employer agrees that the employees and the Union representative will be advised of any review which may result in significant changes to either, the structure, staffing, or work practices affecting employees and allow for the opportunity for employees and their representatives to be involved in the review so as to allow substantive input.

When the implementation of decisions arising from any such reviews will result in staff surpluses the procedures under staff surplus shall be adopted.

23.5 For the purposes of Clauses 23 and 24, the recognised representative shall be the Union advocate unless otherwise agreed.

24 RESTRUCTURING

- 24.1 In the event that all or part of the work undertaken by the employee will be affected by the employer entering into an arrangement whereby a new employer will undertake the work currently undertaken by the employee, the employer will meet with the employee, providing information about the proposed arrangement and an opportunity for the employee to comment on the proposal, and will consider and respond to their comments. The employee has the right to seek the advice of their union or to have the union act on their behalf.
- 24.2 The employer will negotiate with the new employer, including whether the affected employees will transfer to the new employer on the same terms and conditions, and will include in the agreement reached with the new employer a requirement that the employee be offered a position with the new employer at the same or similar terms of employment.
- 24.3 Where the employee either chooses not to transfer to the new employer, or is not offered employment by the new employer, the employer will activate the staff surplus provisions of this agreement.

25 STAFF SURPLUS

When as a result of the substantial restructuring of the whole, or any parts, of the employer's operations; either due to the reorganisation, review of work method, change in plant (or like cause), the employer requires a reduction in the number of employees, or, employees can no longer be employed in their current position, at their current grade or work location (e.g. the terms of appointment to their present position), then the options in sub-clause 24.3 below shall be invoked and decided on a case by case basis by the employer having due regard to the circumstances of the affected employee.

25.1 NOTIFICATION

The employer will advise the employee organisation at least one month prior to the date that notice is required to be given to the employee whose position is required to be discharged. Notification of a staffing surplus shall be advised to the affected employee. This date may be varied by agreement between the parties. During this period, the employer and the employee will meet to discuss the option most appropriate to the circumstances. Where employees are to be relocated, at least one month's notice shall be given to employees, provided that in any situation, a lesser period of notice may be mutually agreed between the employee and the employer where the circumstances warrant it (and agreement shall not be unreasonably withheld).

25.2 The following information shall be made available to the employee representative

- a. The location/s of proposed surplus
- b. The total number of proposed surplus employees
- c. The date by which the surplus needs to be discharged
- d. The positions, grading, names and ages of the affected employees

- e. Availability of alternative positions with the employer.

On request the employee representative will be supplied with relevant additional information where available.

25.3 OPTIONS

The following are the options in order of preference to be applied by the employer in staff surplus situations:

- a. Reconfirmed in position
- b. Attrition
- c. Redeployment
- d. Leave without pay
- e. Retraining
- f. Severance

Option a) will preclude employees from access to the other options. The aim will be to minimise the use of severance. When severance is included, the provisions in sub-clause 24.11 will be applied as a package.

25.4 RECONFIRMED IN POSITION

Where a position is to be transferred into a new structure in the same location and grade, where there is one clear candidate for the position, the employee is to be confirmed in it. Where there is more than one clear candidate the position will be advertised with appointment made as per normal appointment procedures.

25.5 ATTRITION

Attrition means that as people leave their jobs because they retire, resign, transfer, die or are promoted then they may not be replaced. In addition, or alternatively, there may be a partial or complete freeze on recruiting new employees or on promotions.

25.6 RE-DEPLOYMENT

Employees may be redeployed to a new job at the same or lower salary in the same or new location.

25.6.1 Where the new job is at a lower salary, an equalisation allowance will be paid to preserve the salary of the employee at the rate paid in the old job at the time of redeployment. The employer can preserve the salary in the following ways:

- a. A lump sum to make up for the loss of basic pay for the next **two** years (this is not abated by any subsequent salary increases); or
- b. An ongoing allowance for **two** years equivalent to the difference between the present salary and the new salary (this is abated by any subsequent salary increases).

25.6.2 Where the new job is within the same local area and extra travelling costs are involved, actual additional travelling expenses by public transport shall be reimbursed for up to 12 months.

25.6.3 The redeployment may involve employees undertaking some on the job training.

25.7 LEAVE WITHOUT PAY

Special leave without pay may be granted within a defined period without automatic right of re-engagement. This provision does not include parental or sick leave.

25.8 RE-TRAINING

25.8.1 Where a skill shortage is identified, the employer may offer a surplus employee retraining to meet that skill shortage with financial assistance up to the maintenance of full salary plus appropriate training expenses. It may not be practical to offer retraining to some employees identified as surplus. The employer needs to make decisions on the basis of cost, the availability of appropriate training schemes and the suitability of individuals for retraining.

25.8.2 If an employee is redeployed to a position that is similar to his or her previous one, any retraining may be minimal, taking the form of on-the-job training such as induction or in-service education.

Where an employee is deployed to a new occupation or a dissimilar position the employer should consider such forms of retraining as in-service education, block courses or night courses at a tertiary or other institution.

25.9 SEVERANCE

Payment will be made in accordance with the following:

25.9.1 For employees employed prior to 1 July 1992 "Service" for the purposes of this sub-clause 24.9 means total aggregated continuous service with the employer, and any service recognised as continuous service under the employee's previous employment agreement but excludes any service which has been taken into account for the purposes of calculating any entitlement to a redundancy/severance or similar payment from the employer.

25.9.2 For employees who commenced employment with the Bay of Plenty District Health Board after 30 June 1992 "Service" for the purpose of this clause means current continuous service with Hospital and Health Services or Regional Health Authorities, the Bay of Plenty Area Health Board, Area Health Boards, Hospital Boards and the Department of Health but excludes any service which has been taken into account for the purposes of calculating any entitlement to a redundancy/severance or similar payment from the employer.

25.9.3 A break in service of one month or less shall not break the continuity of service.

25.9.4 8.33 per cent of basic salary (T1 rate only) for the preceding 12 months, in lieu of notice. This payment is regardless of length of service; and

25.9.5 12 per cent of basic salary (T1 rate only) for the preceding 12 months, or part thereof for employees with less than 12 months' service; and

25.9.6 4 per cent of basic salary (T1 rate only) for the preceding 12 months multiplied by the number of years of service minus one, up to a maximum of 19; and

25.9.7 Where the period of total aggregated service is less than 20 years, 0.333 per cent of basic salary (T1 rate only) for the preceding 12 months multiplied by the number of completed months in addition to completed years of service.

NOTE: The total amount paid to employees under this provision shall not exceed the basic salary (T1 rate only) the employee would have received between their cessation and the date of their being eligible for government superannuation.

25.9.8 If the employee has an entitlement to a retiring gratuity, the full retiring gratuity, shall be paid.

25.9.9 Outstanding annual leave and long service leave may be separately cashed up.

25.10 JOB SEARCH

The employer should assist surplus staff to find alternative employment by allowing them a reasonable amount of time off work to attend job interviews without loss of pay. This is subject to the employer being notified of the time and location of the interview before the employee is released to attend it.

25.11 COUNSELLING

Counselling for affected employees and family will be made available as necessary.

26 TECHNICAL REDUNDANCY

Where an employee's employment is being terminated by the employer by reason of the sale or transfer of the whole or part of the employer's business, nothing in this Agreement shall require the employer to pay compensation for redundancy to the employee if:

26.1 The person acquiring the business or the part being sold or transferred

- a. Has offered the employee employment in the business or the part being sold or transferred; and
- b. Has agreed to treat service with the employer as if it were service with that person and as if it were continuous; and
- c. the conditions of employment offered to the employee by the person acquiring the business or the part of the business being sold or transferred are the same as, or are no less favourable than, the employee's conditions of employment, including:
 - i. Any service-related conditions; and
 - ii. Any conditions relating to redundancy; and
 - iii. Any conditions relating to superannuation

Under the employment being terminated; and

- d. The offer of employment by the person acquiring the business or the part of the business being sold or transferred is an offer to employ the employee in that business or part of the business either:
 - i. in the same capacity as that in which the employee was employed by the employer; or

ii. in any capacity that the employee is willing to accept.

27 NOTICE

Except in the case of casuals and in the absence of a written agreement between the employer and the individual employee, four (4) weeks written notice of resignation or termination shall be given by either side; but this shall not prevent the employer from summarily dismissing any employee for serious or wilful misconduct or other just cause. Unless otherwise agreed where the required notice is not given the person terminating the service shall pay or forfeit wages to the value of the unexpired period of notice as the case may require.

28 ABANDONMENT OF EMPLOYMENT

Where an employee absents him/herself from work for a continuous period exceeding three working days without the consent of the employer and without notification to the employer, and without good cause, he/she shall be deemed to have terminated his/her employment without notice.

29 CONSTRUCTIVE ENGAGEMENT

The parties have recognised the value of working more cooperatively and constructively together to achieve the over-arching goal of maintaining and advancing a Physiotherapy workforce that takes shared responsibility for providing high quality healthcare on a sustainable basis. To this end we have agreed to progress the ongoing interests and issues of the parties outside of bargaining.

The objectives of the constructive engagement are:

- To ensure the parties' dealings with each other are in accord with the principles of goodfaith and are characterised by constructive engagement based on honesty, openness, respect and trust
- That the principles, processes, procedures and goals adopted enable exploration of matters in a meaningful, solution focused approach with the group being empowered to implement appropriately agreed solutions
- That efforts are made to maintain and further develop their relationship, decision making and inter party cooperation
- To co-ordinate the trialling, and where appropriate, introduction of innovative initiatives which will improve healthcare delivery
- To the extent they are capable, provide appropriate health care to the communities they serve, in an efficient and effective manner
- Work towards enhanced job satisfaction for Physiotherapists
- To achieve consensual decision making and outcomes

The objectives that have been agreed include promoting the provision of a safe, healthy and supportive work environment. The parties also recognise that environmental and fiscal challenges may impinge on work practices and accept that there needs to be constant evaluation to improve productivity and cost effectiveness and to ensure the efficient, sustainable delivery of high-quality health services.

Either party can call for a meeting to consult around any of the above objectives; the composition of the respective parties shall have an appropriate senior member with equal representation of other participants with a maximum of 3 to each team with co-opting of others as required.

30 DEDUCTION OF UNION FEES

The employer shall deduct union fees from the wages and salaries of members of the union when authorised in writing by members. The employer will forward the monies with the names and the individual amounts deducted to the union.

31 STOPWORK MEETINGS

- 31.1 Subject to subsections 31.2 to 31.5, the employer shall allow every employee covered by this Agreement to attend, on ordinary pay, at least two meetings (each of a maximum of two hours' duration) in each year (being the period beginning on the 1st day of January and ending on the following 31st day of December) with their representatives.
- 31.2 The representative shall give the employer at least 14 days' notice of the date and time of any meeting to which subsection 31.1 is to apply.
- 31.3 The representative shall make such arrangements with the employer as may be necessary to ensure that the employer's business is maintained during any meeting, including, where appropriate, an arrangement for sufficient employees to remain available during the meeting to enable the employer's operation to continue.
- 31.4 Work shall resume as soon as practicable after the meeting, but the employer shall not be obliged to pay any employee for a period greater than two hours in respect of any meeting.
- 31.5 Only employees who actually attend a meeting shall be entitled to pay in respect of that meeting and to that end the representative shall supply the employer with a list of employees who attended and shall advise the employer of the time the meeting finished.

32 PERSONAL GRIEVANCE, DISPUTES & EMPLOYMENT RELATIONSHIP PROBLEMS

- 32.1 An "employment relationship problem" includes:
 - a. A personal grievance
 - b. A dispute
 - c. Any other problem relating to or arising out of the employment relationship.
- 32.2 Where an Employment Relationship Problem arises, the parties will in the first instance seek to resolve it between the immediately affected parties. Further to this:
 - a. The employee will be provided the opportunity to be represented by their union or other such support person of their choosing at any time during the resolution process.
 - b. If the matter is unresolved either party is entitled to seek mediation from the Labour Department or refer the matter to the Employment Relations Authority. (Both mediation and investigation by the Authority are services available for the resolution of employment relationship problems.)
- 32.3 A "personal grievance" means a claim that you:
 - a. Have been unjustifiably dismissed; or
 - b. Have had your employment, or your conditions of employment, affected to your disadvantage by some unjustifiable action by the employer; or

- c. Have been discriminated against in your employment; or
- d. Have been sexually harassed in your employment; or
- e. Have been racially harassed in your employment; or
- f. Have been subjected to duress in relation to union membership.

32.4 If the employment relationship problem is a personal grievance, you must raise the grievance with the employer within a period of 90 days, beginning with the date on which the action alleged to amount to a personal grievance, occurred or came to your notice, whichever is the latter. Except that in respect of a personal grievance related to alleged sexual harassment, this period can be up to one year. There is also additional time available for raising a personal grievance under the Act, under particular circumstances (ERA Section 115).

32.5 Where any matter comes before the Authority for determination, the Authority must direct the matter to mediation in the first instance. Where mediation has failed or been deemed inappropriate in the circumstances, the Authority will then have the power to investigate the matter.

32.6 If the employment relationship problem relates to discrimination or sexual harassment, services available for the resolution of the problem include either application to the Authority for the resolution of this grievance or a complaint under the Human Rights Act 1993, but not both.

33 HEALTH AND SAFETY

The employer and the employee shall comply with the provisions of the Health and Safety at Work Act 2015 and associated Regulations, concerning safety, health and welfare matters. The parties agree that employees should be adequately protected from any safety and health hazard arising in the workplace.

- 33.1 It shall be the responsibility of the employer to ensure that the workplace meets the required standards, and that effective and maintained safety equipment is provided.
- 33.2 Where safety equipment is required, it is the responsibility of employees to ensure it is appropriately utilised.
- 33.3 It is the responsibility of every employee to report any hazards, accidents or injuries as soon as practicable using the employer's hazard management system.
- 33.4 It is the responsibility of the employer to systematically identify and address any workplace hazards, which may affect the safety of employees.
- 33.5 Where there is a concern regarding the safety of employees, employees have the right to contact APEX for advice on their rights under the Health and Safety at Work Act 2015 and its subsequent amendments.

34 INDEMNITY

The employer shall ensure that it is insured in such a manner as to provide adequate professional indemnity insurance cover for employees including cover for the costs of independent legal representation in the event of claims or issues that affect an employee and the provision of adequate run-off cover for an employee for claims arising after an employee has ceased employment with the employer in respects of acts or omissions during employment.

35 TEMPORARY OR FIXED TERM AGREEMENTS

Temporary or Fixed Term Employment Agreements should only be used to cover specific situations of a temporary nature or fixed term, e.g. to fill a position where the incumbent is on study or parental leave; or where there is a task of a finite duration to be performed.

Temporary or Fixed Term Employment Agreements while justified in some cases to cover situations of a finite nature, must not be used to deny staff security of employment in traditional career fields.

36 USE OF PRIVATE VEHICLE ON EMPLOYER BUSINESS

Employees who use their private motor vehicle on the employer's business (by agreement with their manager) shall be paid a motor vehicle allowance as promulgated by the Inland Revenue Department and adjusted from time to time.

37 TRANSFER EXPENSES

Before a transfer takes place the terms under which such transfer is to occur shall be agreed between the employee and the employer and recorded in writing.

For:

- a. Transferring on promotion; or

- 38.5 Provided that where an employee a) is on a fixed term contract; or b) also works for another organisation or in a private practice, the employer will only be required to reimburse the cost on a pro-rata basis.
- 38.6 Where the employer requires a current employee to become a member of a specific professional association, then the cost of that membership shall be fully reimbursable.

39 SAVINGS

39.1 This Agreement supersedes all terms and conditions in previous agreements.

39.2 However, as significant changes have been made, it is acknowledged that certain terms and conditions may have inadvertently been omitted. This agreement shall not operate so as to remove employees of a benefit that was omitted in error. Nor shall it operate so as to provide an employee with a benefit that was inadvertently included.

40 TRAVELLING ALLOWANCE

Where an employee is required to attend or conduct a clinic away from their base hospital or attend to employer business away from their base hospital, the employer shall, wherever possible, pay all accommodation and travel costs (e.g. the employee shall not be required to pay for such expenses and get reimbursed at a later date). Employees shall be entitled, with prior approval, to claim any actual and reasonable expenses incurred.

Part-time service is not to be converted to its whole time equivalent for the purpose of establishing eligibility.*

29.3 *Where part time service is involved the gratuity should be calculated to reflect this. SCHEDULE 3 - RECOGNITION STEPS – PROGRESSION PROCESS

Recognition Steps – Progression Process

Principles

1. The recognition steps facilitate progression that many employees naturally seek in the course of their work. It is designed to enable employees to utilise their expertise as a formal part of their practice, while enhancing service delivery and fostering continued development and growth through the process of agreed objective setting and delivery.
2. For this reason, it is anticipated that, where reasonable and agreed, an employee may be able to progress the objectives required for recognition progression during work time.
3. To be Eligible for Salary Progression:
 - a. An employee may initiate the recognition process immediately after moving to the qualifying step (e.g. Step 8 to progress to Step 9, Step 9 to progress to Step 10). As per clause 5.2.10(e)(i), progression will not occur until the employee has been on the qualifying step for at least a year. An employee must be on Step 8 (APS) before they can move to Recognition Step 9 or must be on Recognition Step 9 to move to Recognition Step 10.
 - b. Demonstrates innovation, excellence, leadership, and/or specialist skills and knowledge in their contribution to service. This could include, but is not limited to:
 - i. At least two years working in an area of specialisation or advancing practice.
 - ii. Recognised by other staff as becoming expert in at least one area of clinical or cultural skills and approached as a resource and teacher (with appropriate evidence).
 - iii. Evidence of involvement in quality and improvement initiatives or audit activity.
 - iv. Evidence of involvement in research, presenting at conferences or authoring work.
 - v. Agreed postgraduate study.
 - c. Has had a satisfactory performance appraisal (or equivalent) within the last 12 months.
 - d. Is undertaking clinical work at the level expected as described in the GEPP document at the applied for salary step. Link: Draft Guidelines for Expectations of Professional Practice of Allied Health, Scientific and Technical Professionals (GEPP) 2023.
 - e. Has achieved agreed objectives linked to Guidelines for Expectation of Professional Practice at relevant level.
 - f. Is contributing to the wider organisational goals, the team, the service, the locality, or the system in general.
4. An employee can progress to the Recognition Step at any time throughout the year (once criteria is met), i.e., they do not need to wait for their anniversary date. However, only one step movement can be made annually.

5. The criteria for progression to each recognition step are as follows:
 - a. To access Recognition Step 1 (Step 9 of the Degree-based scale) an employee must select and complete objectives across no fewer than two domains ensuring that cultural safety and Te Tiriti principles are woven into objectives. Objectives must be chosen from the “Further Developing Knowledge & Skills” or further Stage of Development.
 - b. To access Recognition Step 2 (Step 10 of the Degree-based scale) an employee must select and complete objectives across no fewer than two domains, ensuring that cultural safety and Te Tiriti principles are woven into objectives. Objectives must be chosen from the “Becoming Expert” Stage of Development.
 - c. To access Step 4 of Grade DF on the Clinical/degree qualified designated salary scale, an employee must select and complete objectives across no fewer than two domains, ensuring that cultural safety and Te Tiriti principles are woven into objectives. Objectives must be chosen from the “Acknowledged Leader” Stage of Development. At least one objective will be selected from the “Leadership & Management” domain.

Objectives

6. It is intended that objectives are ones that show growth, development, and continuing contribution to the service. As such, objectives will generally be relevant to the service, wider organisation and/or profession evidence of role stretch/meritorious performance.
7. The parties acknowledge that it is the individual employee’s decision and responsibility to initiate the processes associated with the recognition progression step. To commence the process the employee will write to the team leader/ manager requesting a meeting to set objectives.
8. The discussion and setting of objectives for additional progression would normally occur in conjunction with the employee’s annual performance review. Objectives agreed will be specific, measurable achievable realistic and time bound (SMART). Reviews throughout the 12 months can be undertaken by mutual agreement. Setting the objectives may involve the professional lead or equivalent.
9. In the event that the manager and the employee cannot agree on the objectives the employee may consult with the relevant union. If there is still no agreement, they may need to meet with the union and their manager, professional lead or equivalent. This objective setting process is to be completed in three months of the employee requesting the meeting. Without agreed objectives no progression will occur.
10. Recognition objectives must be set and agreed prospectively by the manager and the employee in a timely manner. However, the setting of objectives may take into consideration work that has been initiated within a reasonable timeframe prior to the objectives being set as long as objectives remain current to service need/service development and of benefit to professional development.
